

# *Farewell Toast*

*A final toast to your loved one commmerating a life lived well*

Ceremoniously sending our thoughts and wishes at the passing of your family member.

The toast is intended as a sign of recognition and appreciation and offers a lovely way to express a farewell. The toast can be incorporated within any cremation or burial service, can be a celebrational, poetical or a religious moment, it is entirely your choice.

As guests are gathered, glasses will be distributed and a token beverage poured. Typically this would be champagne or wine, or sparkling (non-alcoholic) wine.

The words of toast are your choice; we also have a selection of poems from which to choose. When the toast is offered, your loved ones favorite music can be played.
